

Dear Friends,

On behalf of the EBF Y&C executive committee I am happy to announce that we are now ready to receive your applications for training scholarships for 2018. We are grateful for God's provision and for your faithful support through the annual contributions that enable us to provide financial assistance for training projects in the countries of the EBF.

If you have a project aiming at developing your team of youth and children workers, improving their skills and enhancing their spiritual growth, we will be happy to offer you some support.

Please review the attached file, fill in the application form and e-mail it back to me at yanita.d.georgieva@gmail.com before the end of April.

If you have any questions or comments please contact me.

Best,
Yanita Georgieva
Executive Secretary
EBF Youth and Children Department
